

POS Setup

Setting up Till and payment methods for both POS and invoice payments

(POS in Huge is no longer in use, however this payment methods are used in invoice payments)

The screenshot shows the 'POS Setup' window within a 'System Configuration' application. On the left is a navigation menu under the 'Administration' header, listing various setup options. 'POS Setup' is highlighted with a red rectangle. The main area is titled 'POS Setup' and contains a toolbar with 'Search', 'Add', 'Edit', 'Delete', and 'Print Grid' buttons. Below the toolbar are two tabs: 'Till Setup' (active) and 'Payment Methods'. The 'Till Setup' tab features input fields for 'Code' and 'Description'. Below these is a table with two columns: '#' and 'Code' (merged), and 'Description'. The table contains two rows: '1 01' with description 'Till 01' and '2 02' with description 'Till 02'. The first row is highlighted in orange. A pagination bar above the table shows 'Page 1 of 1'.
