

Changing the Warehouse on Job Lines

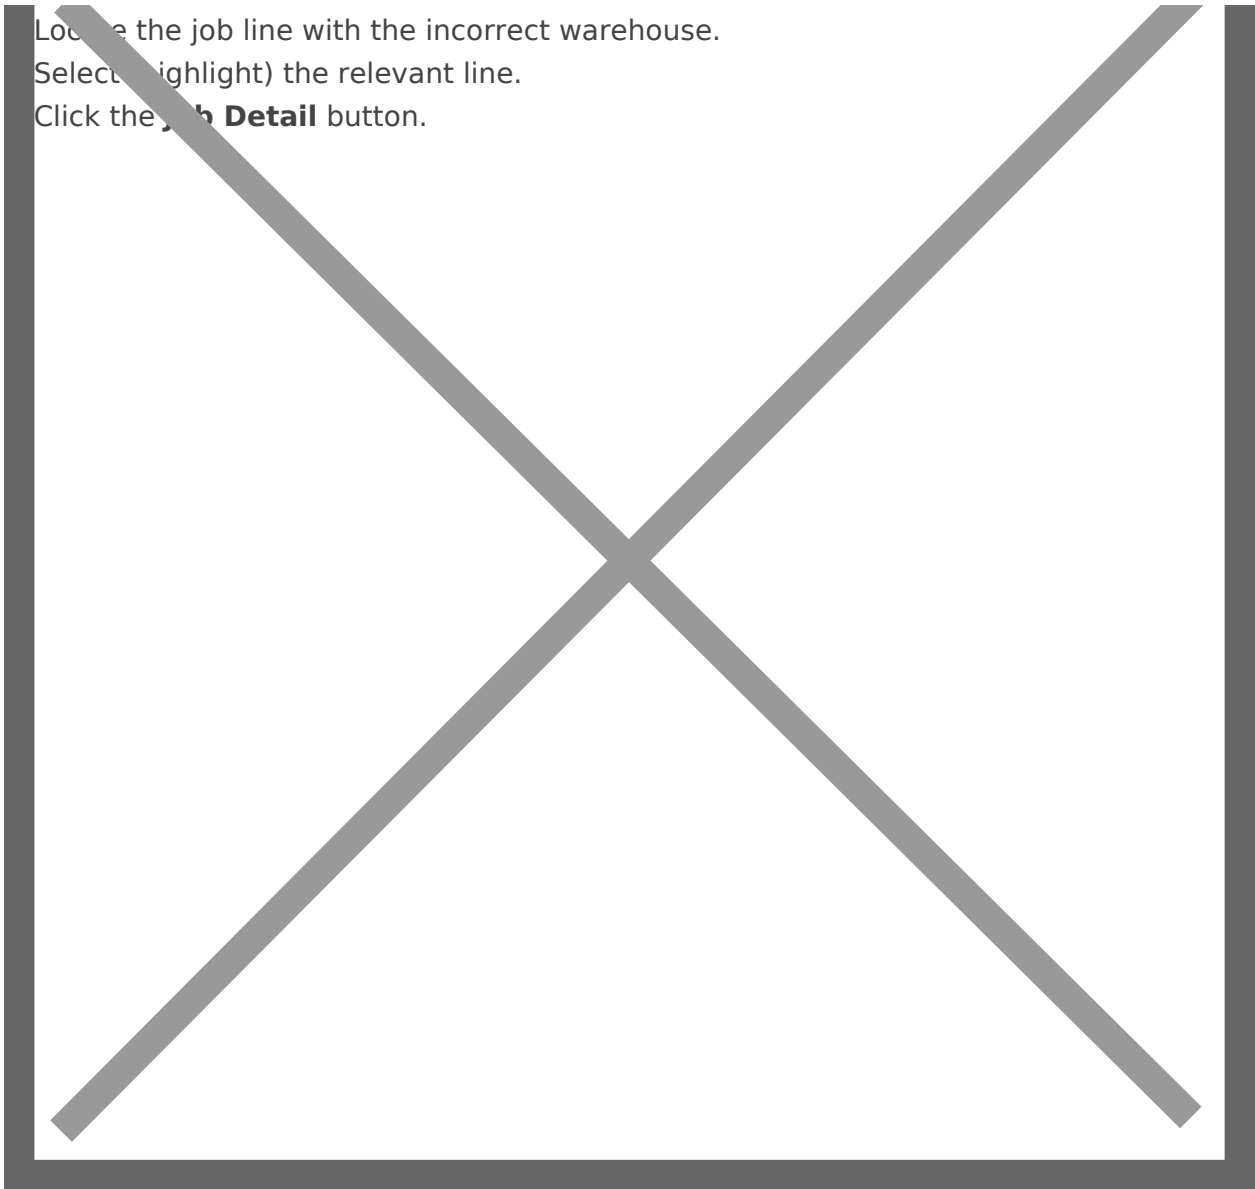

The warehouse for the job line needs to be updated.

To change the warehouse, access the line through the **Job Detail Line** button and make the required update.

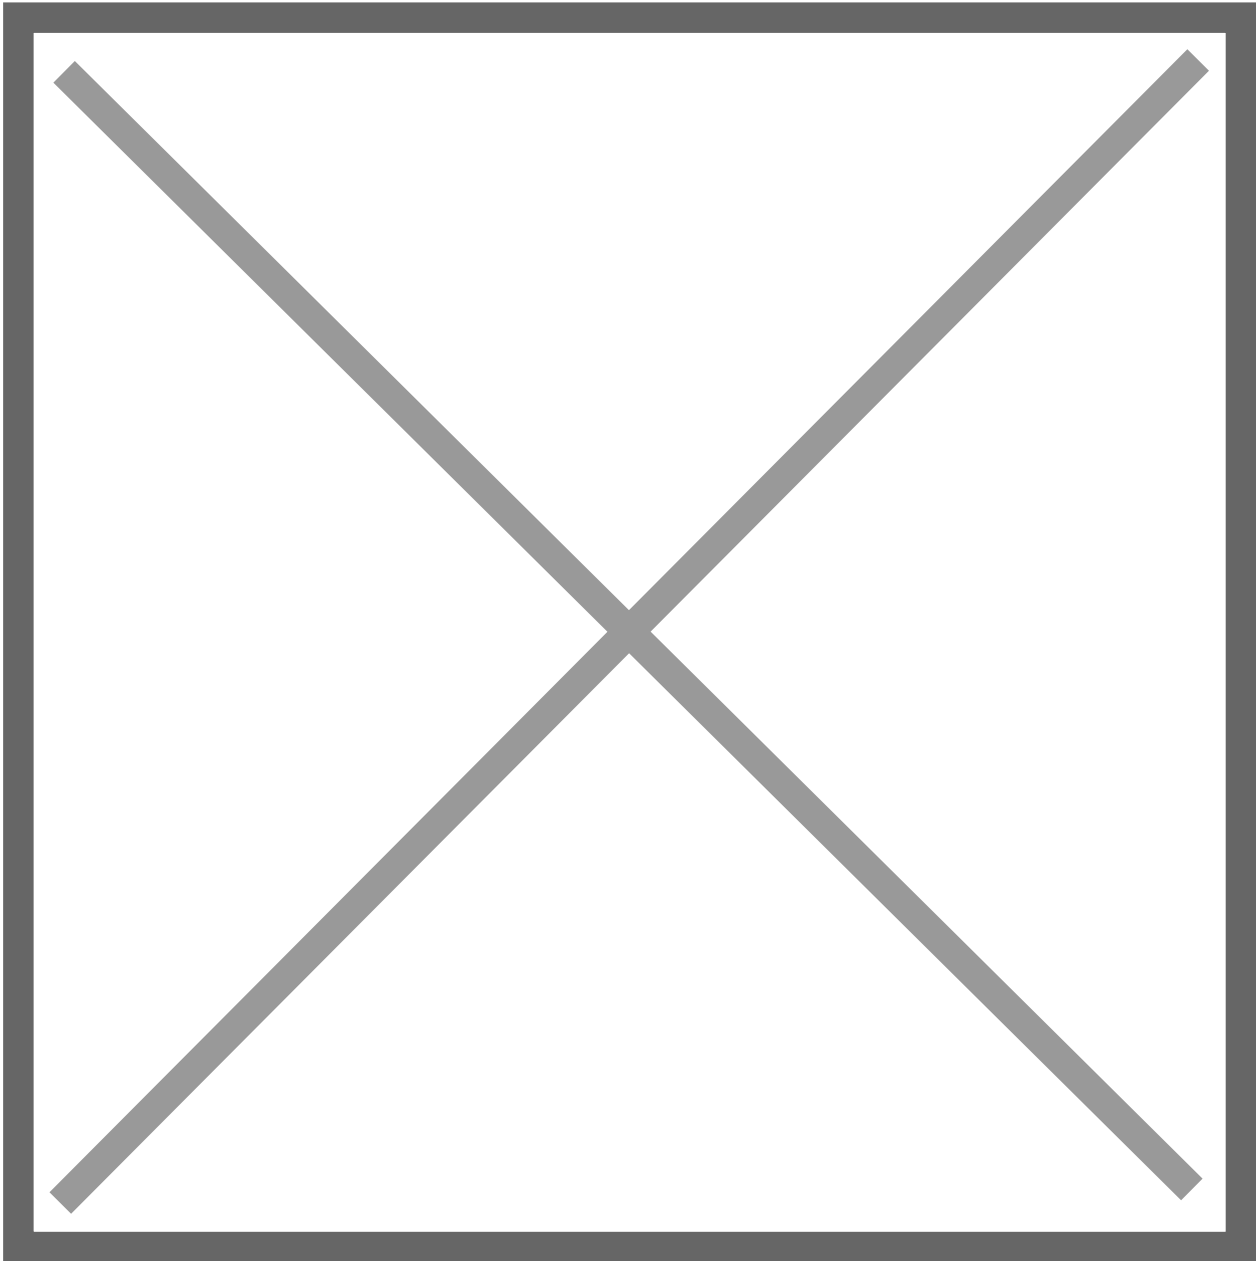

Return to the **Job Lines** screen.

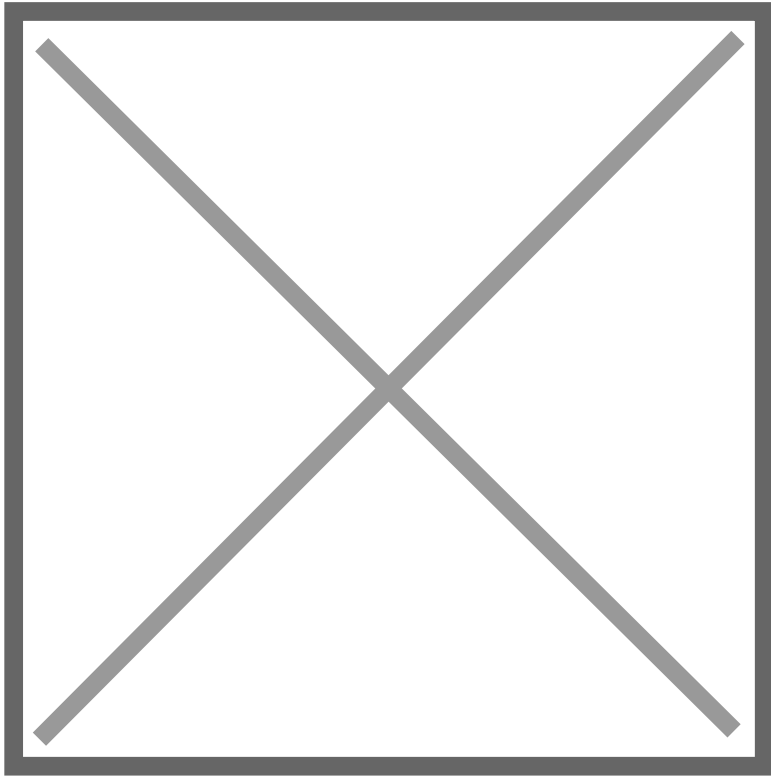

Look for the job line with the incorrect warehouse.
Select (highlight) the relevant line.
Click the **Job Detail** button.

- Highlight the job line you want to change.
- Click the **Edit Split** button.

- Update the **Warehouse** field as required.
