

Job Costing Sell Value

Job Search

Job Costing Module > Activity > Manage Job

In the past, we never used to show values on the manage job screen.

We now show values on the top bar and on the grid.

The top bar shows the total budget, Total Actual and Total Invoice

This allows you to easily manage job costing values on the job search screen.

The screenshot displays the 'Job Search' interface. At the top, there is a navigation bar with tabs: Search, Manage Job, Overview, Start Job, New Job, Create Reminder, Ready For Invoice, Functions, and Print. Below this is a search section with 'Basic Search' and 'Custom Search' tabs, and an 'Expand' button. The search filters include Job Number, Customer From, Quote Number, Date Type, Date From, Short Description, Customer To, Order No, Job Status, and Date To. Below the filters is a summary bar with a red border containing the following data:

Total Budget:		Total Actual:		Total invoice:	
37 930,44		17 500,00		3 000,00	

Below the summary bar is a grid of job entries. The grid has the following columns: #, Att, Memo, Due, Job Status, Team, Info, WIP O/S, % Completed, Completion Date, Delivery Date, Start Date, Approved Date, Job No, and Quote. The first two rows of the grid are highlighted in orange.

#	Att	Memo	Due	Job Status	Team	Info	WIP O/S	% Completed	Completion Date	Delivery Date	Start Date	Approved Date	Job No	Quote
1							1		2023-10-23	2023-10-23	2023-10-23	2023-10-23	JOB5018	QT501186
2									2023-10-24	2023-11-07	2023-11-28	2023-10-24	JOB5019	QT501188

Job values are also showing on the manage job grid as shown below:
