

Job Lines clear "To be invoiced" flag

Each job line includes a **To Be Invoiced indicator**, displayed as a **thumbs-up icon** in the **To Inv** column.

A highlighted thumbs-up icon indicates that the line is selected and will be included in the next invoice.

To clear all **To Be Invoiced** flags, use the **Clear All Lines To Invoice** button after completing the invoice for the job.

This will remove the thumbs-up icon from all job lines and reset them for future invoicing.
