

Serial Number History

The screenshot shows the 'Inventory Module' interface. On the left is a sidebar with 'Configuration', 'Activity', and 'Analysis' sections. Under 'Analysis', 'Serial Number History' is highlighted with a red box. The main area is titled 'Serial Number History' and contains search filters: 'Serial Number', 'Stock Code', 'Date From' (2020-11-17), 'Debtor', 'Warehouse', and 'Date To' (2021-11-17). Below these are tabs for 'Serial Items' and 'Serial Movement'. A table header is visible with columns: '#', 'Stock Code', 'Captured Date', 'Serial Number', 'Sub Serial Number', 'Internal Serial Number', and 'Warehouse'.

Serial Number Detail

The 'Serial Number Detail' window shows a form for a specific serial number. The 'Detail' tab is active. Fields include:

- Item Code: CIG01
