

Customer Price List

Debtors> Reports> Report List

Gives a report on price levels in the system which can be sent to a customer

The screenshot shows a software window titled "Customer Price List" with a blue header bar. Below the header, there is a "Recalculate" button with a calculator icon. The main area contains several input fields and checkboxes arranged in two columns. The left column includes "Pricing Level:" (set to "All"), "Warehouse:" (set to "MAST - Master Warehouse"), "Sort By:" (set to "Code"), "Group Selection:" (set to "All"), and "Show:" (with checkboxes for "Item Code:" and "Group Code:"). The right column includes "Category:" (set to "All"), "Non Active:" (checkbox), "Display All Price Lists:" (checkbox), "Sub Sort By:" (set to "Code"), and "Summary:" (checkbox). Below these fields, there are two list boxes: "Available" on the left and "Selected" on the right. The "Available" list contains items like "Description", "AM - Personal Gain", "Bends and Brackets", "Clips", "Coils", "Delivery", "Flashing Man", "Hardware", "Labour Manufacturing", "Labour Roofing", "Lap Top Computers", "Monitor", "Other", and "Paint". The "Selected" list is currently empty. Between the two list boxes are four arrow buttons for moving items between them. At the bottom of the window are "Generate" and "Close" buttons.
