To run the report, select work in progress, warehouse, stock type and sort by options from the drop-down arrows.

Work in Progress (WIP)	Run the count for working still currently progress items, On Shelf, All, Invoice, Sales Orders, Jobs and Bill of Materials. Most counts are done on the on-shelf option.
Warehouse	If you select all warehouses the report will fetch data from all warehouses. If you want to search by a specific report, select the report on the warehouse selection

Sort By	Sort the report by selecting one option from the drop-down menu allows the user to pull a report that will be sorted by either, Code, Description, Warehouse or Bin location.
Group Code	Double click on the code from the list to move the group codes you wish to filter your report by to the selected window.
Stock Type	Select from All, Stock, Service or Custom from the drop-down menu if you want to refine your Inventory report.
Summary	When selecting this option, the report will only show the group code on hand and total
Group Selection	Double clock on the code from the list to move the group codes you wish to filter your report by to the selected window
Generate Button	Click the "Generate" button to open the report You will have options to copy, email, or print the report To view the report in an Excel document, copy the report and paste it into an Excel file
