(Old Video training manual 2019 - [Click Here](#))

The screenshot shows the Webatar application window. The title bar says 'Webatar'. The interface has a blue header with a menu icon, the word 'Profiles', a plus sign, and a tab labeled 'Huge ERP Demo' with a checkmark. On the left, a sidebar lists 'Huge ERP Demo'. The main area contains a form for setting up the profile. At the top of the form is an orange button labeled 'Set as Active Profile'. Below this are several input fields: 'Profile Name' (containing 'Huge ERP Demo'), 'Server Remote' (containing 'hugeerp.co.nz'), 'Server Local' (empty), 'Use SSL' (with a green 'Yes' button and a grey minus button), 'Database' (containing 'nz10'), 'User Name' (containing 'Malcolm'), and 'Password' (empty). At the bottom right of the window, a status bar says 'Logged in as: Malcolm Granville'.

Profiles	Huge ERP Demo
Huge ERP Demo	Set as Active Profile Profile Name: Huge ERP Demo Server Remote: hugeerp.co.nz Server Local: Use SSL: Yes Database: nz10 User Name: Malcolm Password:
