

Staff Jobs

- [Staff Jobs](#)
- [Staff Jobs Print Job card Search defined](#)

Staff Jobs

This is an area where staff are able to access their job line tasks to complete

It will search across all jobs where your name is assigned and where no name is assigned

Staff Jobs Print Job card Search defined

This will filter lines by that user and include any lines that are marked as All which is not assigned to a user

Sp

- 1.Default the user in the Employee search
- 2.Copy the same dates as the ones on the staff job search dates
