1. Invoice and credit note
2. GRV and stock return

The screenshot displays the Webatar 'Stock Count Scan' interface. The top navigation bar has a blue 'Stock Count Scan' tab and a green 'Stock Receive' tab. A red box highlights a currency icon with a checkmark in the top bar. The left sidebar contains fields for Doc Type (Stock Receive (1)), Customer (NZ Metal), Supplier (Image Skin Supplier), WHS (Master Warehouse), Bin Location, Doc No (None), and Description (Purchasing). The main area shows a 'Scan stock item' search bar, a summary box with 'Total Ex: 39.93' and 'Total Inc: 45.92', and a detailed view for 'Line 1' showing 'CHKFEN', 'GL9589', 'Chicken Fence', 'MAST', 'C4a', and a price of '22.96'. A large red '45.92' is displayed next to a blue '2'. A red box highlights a currency icon with a dollar sign. At the bottom right is an 'Add (1)' button. The footer shows 'Logged in as: Malcolm Granville'.
