Notice of Liability

We make a sincere effort to ensure that this manual contains excellent, accurate and complete information; however, neither Huge Software nor the authors make any guarantees, representations or warranties, express or implied, respecting the quality, correctness, reliability, accuracy or freedom from error of this document or the products it describes. Furthermore, neither Huge Software nor the authors guarantee or warrant any particular result from this manual or fitness for a particular purpose. Nor are the publishers and author liable for any loss or commercial damage as a result of the contents of this manual.

Data used in examples and sample data files are intended to be fictional. Any resemblance to real persons or companies is entirely coincidental. Photographs and illustrations used in this manual have been downloaded and captured from publicly accessible file archives and are used in this manual for news reportage purposes only, to demonstrate the variety of graphics resources available via electronic access. Text and images available over the Internet may be subject to copyright and other rights owned by third parties. Online availability of text and images does not imply that they may be reused without permission of rights holders and publishers.
