

System Conversion 2023

The system is in a process of upgrading to the latest GUI interface, we are upgrading from Version 4 to Version 8.

This conversion is in line with current online systems layout.

Text boxes and grids are bigger with more space in between them.

The system conversion was started in March 2023 and will continue until complete.

Each window of the system has to be converted.

The old look

Classic

#	Att	Memo	Status	Website	Code	Company Name	Short Name	Postal Address2
1					00	00 Stock Control		
2					0000	In house account		
3					1234567	Malcolm new company		
4					ABC0010	ABC Company	ABC	Christchurch
5					ADV001	New custome1
